

CHARLIZE THERON
Angileri used Biolage Volumizing Whipped Mousse on the star in Venice, Italy, Aug. 29.

LONG BOB + SOFT CURLS

GET THE LOOK Blow-dry, then wave the front pieces with a curling iron. Next, define curls with your fingers and a touch of styling mousse. "It's a new take on the bob," **Charlize Theron's** hair pro Enzo Angileri tells *Us*.

HOLLYWOOD GOES BRUNETTE!

Stars such as **Adrienne Bailon** and **Kate Walsh** aren't afraid of the dark — hair, that is. "Chocolate is the most requested shade right now," colorist Tracey Cunningham of Beverly Hills' Neil George Salon tells *Us* (**Amanda Peet** and Bailon are clients). Make it look natural: "Go for a warm brown and keep the ends a bit lighter," she says.

UPDO + TEASED FRONT

GET THE LOOK Apply volumizer, then take the front section of hair from temple to temple and gently tease with a comb. Next, pull locks into a messy chignon and "accessorize with sparkly pins," says celeb hair guru Garren.
