OUR NO-FUSS GUIDE TO LOOKING GREAT THIS SEASON—ALL FOR \$100 OR LESS.

SOFT WAVES

For loose, modern waves, spritz damp tresses with a heat-protecting styling spray (try L'Oréal Studio Line Hot Spring Spray, \$4) and blow-dry. Wrap a large curling iron around sections of hair (try Jilbe de Paris Ceramic Tools 1½-inch Curling Iron, \$25); let cool. "To create extra body, take your fingers through curls instead of brushing," says Dean Barowitz, Inslum 23 celebrity hairstylist.
