

**CHARLIZE THERON**  
Angileri used Biolage Volumizing Whipped Mousse on the star in Venice, Italy, Aug. 29.

## LONG BOB + SOFT CURLS

**GET THE LOOK** Blow-dry, then wave the front pieces with a curling iron. Next, define curls with your fingers and a touch of styling mousse. "It's a new take on the bob," **Charlize Theron's** hair pro Enzo Angileri tells *Us*.

## TREND WATCH

### HOLLYWOOD GOES BRUNETTE!

Stars such as **Adrienne Bailon** and **Kate Walsh** aren't afraid of the dark — hair, that is. "Chocolate is the most requested shade right now," colorist Tracey Cunningham of Beverly Hills' Neil George Salon tells *Us* (**Amanda Peet** and Bailon are clients). Make it look natural: "Go for a warm brown and keep the ends a bit lighter," she says.

The new mom uses Oscar Blandi's Jasmine Oil Serum.

## UPDO + TEASED FRONT

**GET THE LOOK** Apply volumizer, then take the front section of hair from temple to temple and gently tease with a comb. Next, pull locks into a messy chignon and "accessorize with sparkly pins," says celeb hair guru Garren.

## STRAIGHT HAIR + BANGS

**GET THE LOOK** Ask your stylist "for bangs that sweep the bridge of the nose," says Tresemmé celeb stylist Nathaniel Hawkins. Blow-dry hair pin-straight, then run smoothing creme through ends and seal them with a flatiron.

## OXYGEN-BOOSTING SKINCARE

Breathe easy! The latest glow-potions coveted by A-listers, including **Amanda Bynes**, **Michelle Trachtenberg** and **Victoria Beckham**, contain oxygen to smooth, soften and even out skin tone. "The element has been shown to revitalize skin and even heal wounds," says NYC-based dermatologist Jeannette Graf.
